2				T Tuple	usfr-pte	Business Acquisitions [Sequence] Business Acquisitions (Terse Label) BusinessAcquisitions Consideration that is issued or issuable at end of contingency period or that is held in escrow. Disclosure applicable when a company acquires or combines with another company. Example disclosures include: 1) name and description of acquired company, 2) reasons of acquisitions, including factors contributing to purchase price that results in goodwill, 3) period for which results of operations of acquired company are included in the income statement, 4) cost of the acquired company, 5) number of shares of equity interest issued or issuable and amounts assigned thereto, 6) contingent payments, options, or commitments and their proposed accounting treatment, 7) purchased R&D assets and amount written off, 8) material adjustments in subsequent periods, 9) (for SEC) nature of any contingencies that might affect the ultimate allocation of the purchase price, 10) (for SEC) the information that it has arranged to obtain before the allocation can be finalized, and 11) (for SEC) the terms of the contingent consideration and the potential impact on future earnings. For acquired intangible assets, disclose amount assigned by major class, including goodwill. For those to be amortized, disclose the weighted average amortization period. Also disclose the pro forma results of operations for the current period and the period immediately preceding as though combined at beginning of period, and (pro forma not required for nonpublic companies). If any of the purchase price is allocated to net assets held for sale that were identified at the acquisition date and are expected to be sold within one year of the acquisition date, disclose: (a) a description of the operations held for sale, (b) a description of the method used to assign amounts to the assets held for sale, (c) the expected disposal date, (d) the method used to account for the assets held for sale, (e) the amount of profit or loss of the operation during the period that is excluded from the consolidated income statement together with a schedule reconciling that amount to the earnings received or losses funded by the parent that have been accounted for as an adjustment to the carrying amount of the assets, and (f) the gain or loss on the ultimate disposition of the assets that has been accounted for as an adjustment of the original purchase price allocation. If a decision not to sell a line of business or a portion is made, disclose: (a) the reason not to sell, and (b) an explanation of the adjustment to the carrying amount of the operations held for sale that will be allocated to the current fair values of its identifiable assets and liabilities.	141 26 FASB (Standard)
3	D			T String	usfr-pte	Business Acquisitions - Acquired Company Information Acquired Company Information (Terse Label) BusinessAcquisitionsAcquiredCompanyInformation The name and a brief description of the acquired company and, if applicable, the percentage of voting equity interests acquired.
